Where may visitors and guests park?

Consult the included map for referenced parking locations.

Guests of a department or office

Your campus contact should give you information about campus parking. Ask them to make accommodations with the parking office and specify in which lot to park.

Visiting a student

Daytime student visitor parking can be found in metered campus lots or on residential streets where parking is enforced by the city of River Falls. The Ramer parking lot features overnight parking. Contact the parking office for requirements and restrictions. 715-425-3333

General campus visitor

Campus metered parking lots and residential street parking are your best options. Parking is also available in the Ramer parking lot.

Vendor Parking

Contact your campus contact for information about accommodations, especially those requiring weekend access to facilities. Vendor permits are available for purchase at the parking office.

Prospective student visitors

Information about your parking arrangements should be included upon confirmation of your appointment with the admissions office. They can be reached at 715-425-3500.
